SMARTER EVERY DAY WITH A GROUNDBREAKING APP

Scanning the QR Code and barcodes on every Comenda machine provides access to all the technical product documentation and allows quick interaction with our support centre, as well as an electronic parts ordering system.

End user can access instruction manuals while field technicians can access technical material, interact with the support centre and submit spare parts orders.

App available for free download from App Store or Google play!

Username and Password are the same as for <http://comenda.partircambio.it> site.

If you do not have them simply log on to our website ("Spare Parts" area) and register.
